EXPERIENCE

Full-stack Developer, Krishi Network — May 2022 - Present

- Integrated payment system using **Python, Flask, PostgreSQL** and **Razorpay APIs**.
- Created multiple performant UIs using **React** and integrated them as web views in the app.
- Worked on native android development and created multiple screens. Used **Android Studio, Java** and **Kotlin**.

Front-end Engineer, Upbringo — April 2021 - April 2022 (1 year)

- Built the app from scratch using **React Native, Redux, GraphQL** and **TypeScript** that is getting used by 25+ schools and institutions.
- Improved app's performance by upto 20% by implementing best practices and various caching methods in **React Native**.
- Worked on the front-end side of many features including a billing plan that increased our user's retention by upto 40%. Used **Vue** as front-end framework, **Vuex** for state management, **Material UI** for design and **GraphQL** to consume APIs.
- Designed and engineered application components in an Agile environment utilising a test-driven development approach with **Jest**.
- Mentored 2 interns, enabling them to achieve professional and personal growth through **code** and **design docs reviews**.

Flibo, Web Development Intern — June 2020 - November 2020 (6 months)

- Created intuitive UIs for the movie suggestion app using **Vue**.

PROJECTS

Proto

A minimal project management web app with 200+ users built using **Next, Firebase, SASS** and **React Spring**.

Astronomia

Developed a discord bot for cosmos enthusiasts using **Node, Firestore, Puppeteer** and integrated several APIs.

SKILLS

Languages - JavaScript, TypeScript, Python, SQL, HTML & CSS

Frameworks & Libraries - React, React Native, Redux, Vue, Next, PostgreSQL, Vuetify, Material UI, Tailwind

Tools - Git, Postman, Jira, Figma, Photoshop

EDUCATION

G.D. Goenka University — Bachelor of Computer Applications | CGPA 8.7

Secured first place in IGS summit hackathon with participants from 100+ universities / colleges. Developed a game using **C#, Unity** and **Illustrator** for illustrations.
